

## **Our Values - God is Calling Us Towards:**

Living into the vision of being a courageous church, we believe the following values are necessary for growth and vitality.

- **Trust**  
We believe in God's love and work among us, confidently relying on God and one another.
- **Compassion**  
We see the image of God in all of creation, expressing the depth of love Jesus shared with the world.
- **Relationship**  
We build grace-filled relationships with our neighbors--becoming involved, serving with, and creating new ministry partnerships--acknowledging we exist for more than just ourselves.
- **Authenticity**  
We live into our identity as followers of Jesus while upholding the diverse expression of God's calling in each ministry setting.
- **Boldness**  
We take risks to follow where Christ leads us.
- **Collaboration**  
We share learning together and beyond ourselves, relying on one another's strength, abilities, resources, and courage.
