

HEY DISTRICTS

LET'S DO LAUNCH

How is God calling your district to grow? What does it mean to you to be a courageous church? Join your district superintendent for lunch at Annual Conference on Friday, June 16th, and be a part of your district's strategic collaboration for building greater community beyond the walls of the Church. Share your ideas and name the objectives, so that together, each district can co-create a plan for authentic transformation as we work on the Initiative for Growth and Vitality.
