

UMOM NEW DAY CENTERS

Pastor Patricia Magyar

Mission:

To prevent and end homelessness with innovative strategies and housing solutions that meet the unique needs of each family and individual.

UMOM's Slogan:

Restore hope, rebuild lives, and end homelessness.

Summary of Activities:

Last year, UMOM New Day Centers was able to provide hope and help to over 15,000 people. We serve nearly 800 people every day – 155 families at the New Day Center emergency shelter, 130 single women at the Halle Women's Center, and 60 young people at our youth transitional living and crisis shelter sites.

Our goal is to first provide a safe place to sleep, hot meals, and all essential items needed. We then provide supportive services to help families mitigate their current crisis and transition to a life of stability with gainful employment and housing they can afford.

The COVID-19 pandemic has significantly impacted our community as people continue to experience job loss and the inability to secure affordable housing. Despite the economic condition, UMOM's employment center works diligently to identify current employers and venues for jobs and place our clients into well-paying positions.

UMOM New Day Center continues to accept donations of hygiene items, clothing, and furniture. The spiritual care program welcomes new and gently used Bibles and other spiritual resources for the clients. Although in-person volunteer activities continue to be paused, there are numerous ways to serve and act for justice, uniting in hope and help for the future.

Please visit our website at <https://umom.org> to learn more, donate, volunteer from home, or join one of our online groups.
