

## **VETERANS MINISTRY**

*C. Bryan Ruth, Chair*

The purpose of this ministry is to honor and offer support to those who have served honorably as well as offer their families Spiritual Care.

A “Veterans Ministry Guide” has been developed and an article, with a link to the guide, appeared in the February Conference Newsletter (available on the Conference Website at <https://dscumc.org/blog/2021/02/22/honoring-those-who-served/>). The program has been introduced to the Fountains United Methodist Men who expressed some interest in organizing a team.

The program is designed for each church to have a team which will initially honor veterans within the congregation and then reach out to the community to identify, recognize, honor, and offer spiritual care to veterans and their families.
