

Desert Southwest Conference of The United Methodist Church
Clergy Compensation and Personnel Expenses Form – 2022

2016 United Methodist Book of Discipline reads:

¶627 Pastors' Expenses and Allowances -- Local churches shall report to the annual conference, in the manner indicated on the annual conference report form, expenditures for the following purposes: (1) amounts reimbursed to pastors for expenses incurred by them in the fulfillment of their professional responsibilities; (2) amounts paid to or for pastors as allowances (including housing allowance) in addition to base compensation. Local churches are encouraged to consider guidelines provided by the annual conference and/or the General Council on Finance and Administration in setting and reporting the amounts of such allowances and reimbursements.”

Instructions for some of the more complex lines are as follows:

Compensation – Cash Salary (line A) should comply with the 2022 Minimum Clergy Compensation Schedule as approved by the 2021 Annual Conference Session.

The approved housing allowance (line B) should be reasonable based on actual housing expenses to be incurred by the pastor and the fair rental value of his/her home (including furnishings and utilities).

If a parsonage is provided instead of a housing allowance, line B should be reported as 25% of line A (the imputed value of the parsonage for plan compensation purposes). This calculated value of the parsonage is computed for the purpose of calculating the pension and is not paid to the clergyperson.

Pension - Clergy Retirement Security Program (CRSP) – The figure for line D is obtained by multiplying the total compensation by 13%. This is what the church will be billed for their pastor's pension in 2022. Clergy members appointed half-time or more are eligible for CRSP participation. Clergy members appointed quarter-time are not eligible for CRSP or UMPIP contributions. Retired clergy members do not receive CRSP.

Conference Health Insurance – Churches will be billed \$14,940 in 2022 for their pastor's health insurance. Through the conference program (HealthFlex Exchange), so that is the figure to use in line E. If the pastor obtains her/his health insurance through another approved source, (spouse's employer, military, previous employer, Medicare, or ACA marketplace), then you should put \$0 in line E and enter the appropriate figure in line G. If the pastor is part of a clergy couple, then put \$7,470 (half of \$14,940) in line E. The health insurance benefit is available to clergy members under appointment three-quarter time or full-time to a local church (or combined multi-point charges) or staff position of the Conference.

Participant Portion of Health Insurance – If the church decides to pay the participant portion of their pastor’s health insurance in 2022, then a figure will need to be entered in line F. The amount will depend on the plan selected, so you will need to refer to the 2022 health insurance premiums sheet. Note that if the church is not paying the participant portion for their pastor (and instead will withhold it from his/her salary on a pre-tax basis), then line F should be reported as \$0.

External Health Insurance Paid for Clergy Person – If your pastor has opted out of the conference health insurance program and you have entered \$0 in line E, then you should report in line G the amount that you anticipate paying for him/her to be covered through another approved source (such as a spouse’s plan). Since this will need to be reported as taxable income to the pastor, the expected cost should be grossed up for taxes. Some churches choose to gross up the amount paid for external insurance by 35% of the actual cost to report in line G.

Other Expenses – Line H is for Pastor’s Continuing Education expenses. The minimum set at the 2021 Annual Conference is \$500. Enter in line I the amount for the Accountable Reimbursement Plan. The minimum of \$2,000 (\$4,000 total for multi-point charges) was set at the 2021 Annual Conference Session. Line J includes annual conference registration costs and related meal and hotel expenses.
