SFTJ Mission Statement

A respite from the world; to gather and create a community that is safe, loving, and caring. The overall emphasis will be on celebration of life and appreciation of the beauty and joy of living.

The Focus

The Retreat gives us the opportunity to focus on our own personal life journey and to explore ways in which we might enrich and strengthen ourselves. Interest groups, open discussion, support groups, arts and crafts, and hikes are among the planned activities.

A Safe Environment

As part of maintaining a safe community, the Retreat must at all times be maintained as a drug and alcohol-free environment. Substance abuse will not be tolerated. Persons who "choose to use" or are inappropriate during the Retreat may be asked to leave. Medical marijuana is prohibited on the Mingus Mountain Camp grounds. With individuals sharing retreat cabin space, respect of others, privacy and space is essential. Discretion is expected.

Spirituality

Throughout the Retreat there will be a number of opportunities for spiritual journey enhancement through "Celebration of Life" opportunities.
